

How Rhino works

We've partnered with your property to replace cash deposits.

What is Rhino?

We replace your cash security deposit with smart, affordable security deposit insurance. Our insurance works like a security deposit but at a fraction of the cost. Free up money at move-in and spend your cash on the things that are important to you.

Benefits of Rhino

- **Affordability:** Rhino policies start as low as **\$4 a month**, compared to 1 month's rent upfront with a cash deposit.
- **Fast and easy sign-up:** Sign-up in less than 90 seconds regardless of credit score or income.
- **Support:** Our Experience team is here to help every step of the way, via email and chat 7 days a week, and over the phone on weekdays.

What is security deposit insurance?

Just like a cash security deposit, security deposit insurance protects properties during your lease. But instead of having to pay a lump sum at move-in, you pay much less for an insurance policy. It's not a deposit payment plan, you're paying less upfront to satisfy your property's deposit requirement.

What does Rhino cover?

Unlike renters insurance, which protects your belongings, Rhino insures your home for your property against unpaid rent and excessive damages, just like a cash deposit. But instead of you paying for that protection upfront at move-in, you pay for a low-cost insurance policy each month and save on your move.

Move in faster

Rhino's security deposit insurance helps renters satisfy their deposit requirement and save cash.
